

Back to School Arrangements for Monday 8th March

Dear parents/ carers,

We hope you are all safe and well and are looking forward to school re-opening for all pupils on **Monday March 8th**.

We are writing to give you information about arrangements for the wider opening of school and to remind you of some of the procedures we have put in place to keep everyone as safe as possible

We're looking forward to welcoming everyone back on **Monday 8th March 2021**, and we're still working hard to make the school a safe, enjoyable environment.

We wanted to get in touch to explain what you can expect from us and what we will expect from all of our parents and carers.

Attendance

Attendance will be mandatory, as the government expects all pupils to attend school. The usual rules will apply, meaning we'll be recording attendance and following up on any absences.

If your children have been staying at home due to shielding guidance, the government paused this guidance from 1st August. That means they should be able to come back to school.

However, if you've received clinical or public health advice that your children should still remain at home, please let us know and continue to follow that guidance.

Safety measures

The children will continue to be grouped into class bubbles. These bubbles will be kept apart throughout the day (including before and after school, playtimes and lunchtimes). Therefore, we are having to continue with our procedures for arriving and leaving school and our arrangements for playtimes and lunchtimes.

When your children come into school, we'll have the following protective measures in place:

Beginning and end of the day

Four entrances to the school site will be used for pupils and parents/carers:

- Entrance 1: **Main gate on Rolls Crescent then Carpark gate - Nursery & Reception**
- Entrance 2: **Main gate on Rolls Crescent then turn right to KS1 back gate - Y1, Y2**
- Entrance 3: **Shearsby Close gate - Y3 & Y4**
- Entrance 4: **Clopton Walk Gate - Y5 & Y6**

Please look for your child/children's year group below to find start and finish times and the relevant entrances and pick up points for the beginning and end of the day. (Children cannot wait in the playground before school and should come straight into school through their designated entrance gate). Staff will be around to help.

Timings

Groups	Entrance	Start	Playtime	Lunch time	Finish	End of Day Pick up

Please see photographs below to ensure you know which entrances/ collection points to use.

Nursery & Reception

Through main gate.

Turn left to car park.

Turn right at car park.

Head to EYFS gate.

Year 1 and Year 2

Through main gate

Turn right

Head to KS1 back gate

Pass sheds to classrooms.

Year 3 and Year 4

Through Shearsby Close gate

Pass the mosaics

Head to playground door

Year 5 and Year 6

Through Clopton Walk gate Pass Muga pitch then turn right Follow path round EYFS Head to dining room door

Staggering entrance/collection times will help adults and children distance appropriately and will reduce the risk of children coming into contact with children from other bubbles.

Nursery – Year 6 arrangements

Please could you support us with these arrangements by:

- Entering and leaving through the designated gate/ gates ensuring that social distancing is maintained.
- Arriving on time for entry to school. In the instance that you have children in more than one-year group, you may wait with your children at the appropriate entrance, following social distancing from other parents/ carers and children.
- Dropping off your child/ children and leaving, rather than remain on school grounds. Children will come straight into school through the designated entrance for their year group and not wait outside.
- **Picking your child/ children up on time at the end of the school day so staff can release children safely.** The playgrounds will be open to wait in before your children are released. Whilst waiting in your child's designated pick up area, social distancing must be adhered to.
- Wearing a mask whilst within the school grounds (unless you are medically exempt).

Children who walk to school by themselves

We recognise that some of the older children make their own way to and from school. If this applies to your child/ children, you will need to make sure you have filled in the permission form and returned it to school

At the end of the day any child walking home by themselves will be dismissed first.

Communication

Staff will not be available to speak to at the beginning and end of the day unless they initiate the contact. Staff must commit their time to ensuring that all children safely leave their care. Parents/ carers can contact teachers through email or Seesaw if they have queries about the day, or they can call the school office to make a phone appointment.

The school office is not to be accessed by parents/ carers unless through prior arrangement via a call or email. The office will not be open for parents/ carers to drop-in to. The DfE guidance states that coming into the site without an appointment is not allowed. However, parents/ carers can still call and receive support over the phone or via email.

Before school Provision

Breakfast Club to start at 8.00am. Phase bubbles will be kept separate. **All pupils will need to arrive through the main school entrance and then go to the designated area for their phase.**

- EYFS- in Nursery
- KS1- in the AMEC building/packed lunch room
- LKS2- in dining room
- UKS2- in the main hall.

(Bagels will be served to pupils in school from designated areas in each phase.)

After school Provision

BOSH will restart after school care and can facilitate 2 separate groups. Depending on uptake, children will be grouped in Phases (Group 1 EYFS and KS1 & Group 2 KS2) and situated in the AMEC building (for EYFS, Year 1 and Year 2) and Dining Hall (for Years 3, 4 5 and 6). This will be regularly reviewed depending on numbers.

Seating plans and Resources

EYFS & Y1 classes are to reflect an early years' environment. Year 2, 3, 4, 5 & 6 classes are to have tables and chairs set up in rows so that no pupils are facing each other. Individual class teachers will review where pupils sit.

Each pupil will have their own set of resources in an individual tray/pencil case on their desk space to limit movement around the class.

What we will do if we have a confirmed case of Covid-19

- Engage with the Manchester Test and Trace team process
- Contain any outbreak by following local health protection team advice

What you can do to support your child

To help your child feel confident about her/ his return to school, please talk to her/him about the following:

- Start and finish times (see above)
- Which entrance to use each morning (see above)
- To go straight into class rather than waiting/ playing in the playground before school
- Hanging coat on back of chair rather than peg
- No belongings from home to be brought into school- other than packed lunch and book bag
- She/ he will have her/his own equipment to use
- Regular and thorough hand washing/ sanitising, particularly on entry/ exit of school, and before and after playtimes and lunchtimes and after using the toilet.

Remote learning

If your child needs to self-isolate, she/ he will be expected to access learning online. Please see our Remote Learning Statement on the school website for further information.

Pastoral support

We're aware that the latest lockdown has been a difficult time for many of us, including our pupils.

Please let us know if you think your children might need extra support when returning to school, such as if they feel anxious about coming back or they're experiencing bereavement.

If you have any questions or concerns about the points we've set out above, please get in touch with us by emailing: admin@rolls-crescent.manchester.sch.uk or ringing the school office on 0161 209 9930.

We're extremely grateful for all the support we've continued to receive from the school community. We'll continue to keep in touch if there are any updates to our plans or if we need to make changes due to new or updated government advice.

Kind Regards
