**17/09/2020**

Dear Parent/Carer,

We are writing to inform you that in consultation with Public Health England, we have established that there have been two further cases of COVID-19 at Rolls Crescent Primary School. These cases are both within Class 5B. To keep everyone in school as safe as possible, we have informed all of the people who have had close contact with the 2 cases. All those informed must now isolate at home for 14 days **from the last contact with the positive cases**. The return date for all concerned is **Monday 28th September 2020**. Additional cleaning has been carried out.

The rest of the school remains OPEN and siblings should continue to come to school as usual, as advised by Public Health England. You do not need to book a test or isolate if your child does not show symptoms. If any child or any person in your household develops symptoms (high temperature, or a new and continuous cough, or loss of smell and taste) please book a test. The whole household should isolate until you have received the result. If it is positive, you will all need to isolate.

Please be assured that the school is continuing with protective measures and cleaning and hygiene arrangements are in place throughout the day. If you have any concerns, please contact us directly and we will do our very best to help you.

Yours sincerely

J Reynolds and H Turner  
(Heads of School)
