

Nursery Newsletter

19th October 2018

Dear Parents and Carers,

This week the children have been making pancakes which they have really enjoyed! Our recipe had no dairy or sugar (but we did add a few raisins) and lots of the children have said they would like to make them again which is fantastic. We were counting out teaspoons and tablespoons and using lots of words to describe the mixture like wet, gluey, sticky and the final pancakes which were tasty, delicious and yummy!!

We have found recently lots of children really enjoy the music area (particularly outside) and they have been singing their favourite songs. These have included 'Dingle dangle scarecrow', 'Twinkle twinkle', 'Five cheeky monkeys' and 'Wind the bobbin up' to name just a few. You could see if your child can sing any to you at home and maybe even teach you one!

We hope that you have found that our daily 'stay and play' has helped your child to settle in to Nursery and we would certainly like to continue this next half term. We will therefore keep having a daily 'stay and play' from 9:00-9:15, and we are planning to have some themes so that we can demonstrate activities you can do with your child to support them.

Finally, this is of course the last week before the half term holiday. Just to remind you that the children will be coming back on **Tuesday 30th October**. We hope that you have a lovely break whatever your plans and we look forward to an exciting run up to the Christmas break.

Thank you again from all of the Nursery team!
