

Nursery Newsletter

29th March 2019

Dear Parents and Carers,

The children have been enjoying role playing the story of 'Goldilocks and the three bears', pretending to be the characters, predicting how else it could end and joining in with the speaking parts.

We did 'squiggle while you wiggle' on Tuesday, a dance and movement session designed to develop their understanding of large movements. They used ribbons to move their arms up and down and from side to side. This will help them with their writing and letter formation.

Thank you to all of the parents who are still donating to our Nursery fund. We have used some of the money to buy extra soap for the toilets as we have been focussing on hand washing and hygiene (something which they can continue to practise at home). Next week we will be making porridge and this money will be used to buy the ingredients as well as other extra activities.

Finally, please could we remind parents to put any snacks for after school club or lunchtime in lunchboxes or separate bags. A few children have had snacks in their coat pockets, some of which have contained nuts. We have a child with a severe nut allergy and so it is very important that they do not come into contact with any nut based products.

We hope you have a lovely weekend thank you again from all of the Nursery team!
