

Rolls Crescent Primary School

July 2022
Jubilee Special

We wanted our last newsletter of this academic year to be a special souvenir edition of how each class celebrated the Queen's Platinum Jubilee.

In 2022, Her Majesty the Queen became the first British Monarch to celebrate a Platinum Jubilee after 70 years of service, and we celebrated fantastically.

It was a great time with special songs, a special lunch, letters to the Queen, art work, letters, dressing up and palace building. We hope you enjoy reading this as much as we enjoyed taking part.

Mr Reynolds and Ms Turner

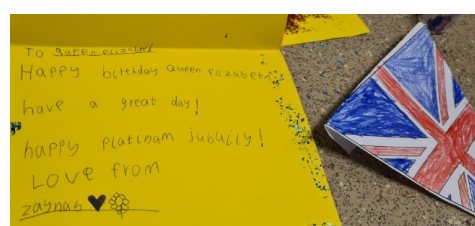

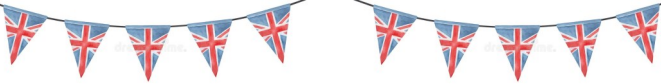

Year 2

Crowns, Cards, Cream Tea and Cucumber Sandwiches!

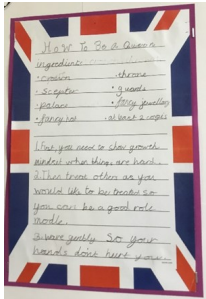

Year 2 had a terrific time celebrating the Platinum Jubilee. Our history topic was based all around the Monarchy so we had already learnt a lot about the Queen and the Royal Family. This made celebrating the Platinum Jubilee even more special in Year 2! We made birthday cards to send to Queen Elizabeth II and drew some of her favourite things on them including beautiful dresses, jewels and corgis! We made union jack bunting to decorate the classrooms and hallways and we also worked with Year 1 to learn a special jubilee song which we performed together on the day. Scan the QR code below to take you to Twitter where you can hear our wonderful singing!

Everyone made a great effort to wear red, white and blue on the day which made our classes look super colourful! We made our own paper plate crowns and decorated them to make them fit for a King or Queen. Everyone loved the special lunch that was held in the dining room but we saved a little bit of room for cucumber sandwiches and scones with jam and cream that we ate in our classroom. We also had a bit of a party mood and did some dancing in the afternoon. We had a great time celebrating!

Year 3

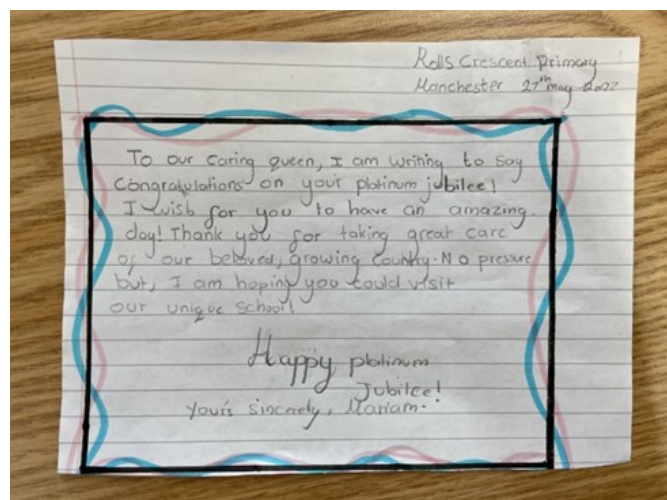

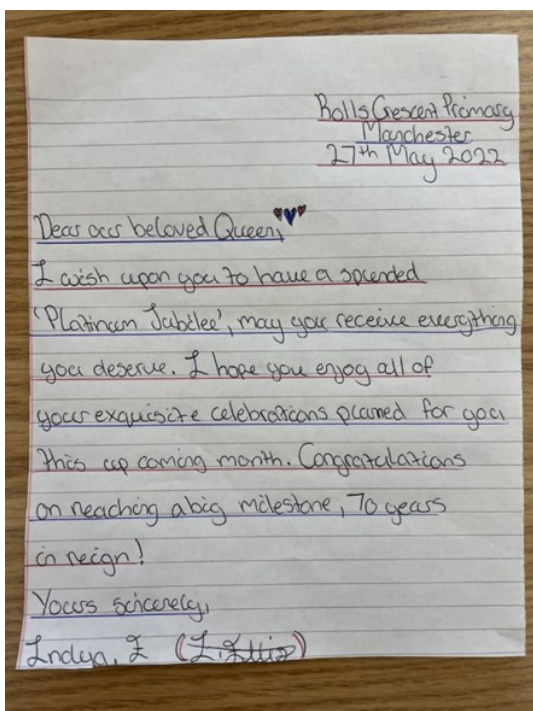

The children in year 3 had a lot of fun celebrating the Platinum Jubilee where they took part in many exciting activities. We all came dressed in red, white and blue and some children put on smart clothes to celebrate. The children have been learning to sing a jubilee song 'Rise up and Serve', and they did a fantastic job when they

sung as a whole school. One of the activities that they took part in was to do research on how people have celebrated jubilee's over history and create a collage to demonstrate how people did this. Additionally, the children year 3 worked in teams to create their own model of Buckingham Palace out of Lego. They really enjoyed this activity and made some amazing models.

Year 6

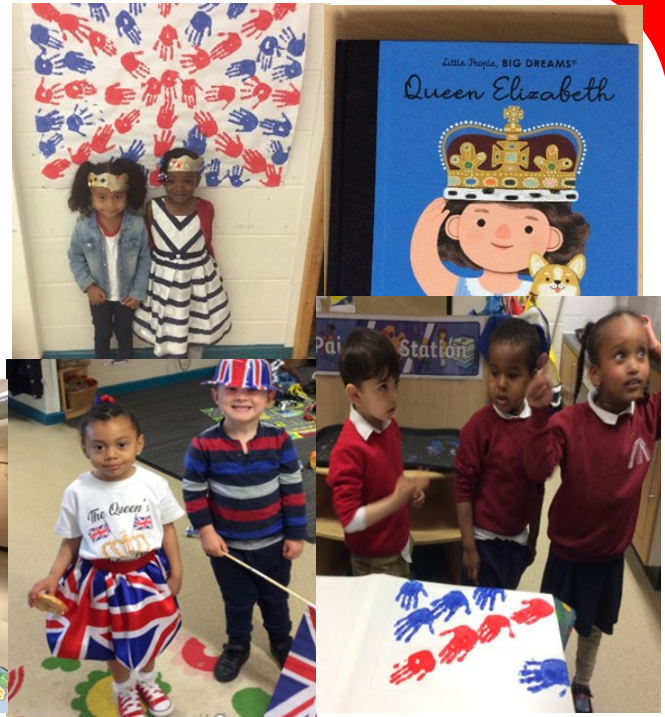

On the Jubilee, Year 6 spent time writing letters to the Queen thanking her for her dedicated and loyal service to the country. We discussed how she might be celebrating the day and the children asked her questions about it. Lots of Year 6 dressed in red, white and blue and they enjoyed watching "Jubilee" the movie, while eating specially made red, white and blue cupcakes. The children made bunting and other Union Jack coloured decorations.

Nursery

Nursery had a fantastic day celebrating the Queen's Platinum Jubilee. The children used their handprints to create a Union Jack Flag, this was a very messy activity but so much fun! The children and staff looked very colourful in red, white and blue. We listened to a story and learned so many facts about Queen Elizabeth II.

To end our celebrations we had a party and wore the crowns that we had made and decorated. What a fantastic day to end a wonderful half term!

Reception

Reception have had a wonderful time celebrating the Queen's Jubilee! First, we learned about Queen Elizabeth through a non-fiction text. The children were amazed to learn that she lives in Buckingham Palace and often spends weekends and holidays at her castles. They were also impressed that she loves animals, especially her two corgis! We later delved into a fabulous fiction book called Squishy McFluff: Tea with the Queen, which is about a young girl called Ava who visits the Queen with her invisible cat. The children have been using the text in their play outdoors, pretending to have afternoon tea with the Queen in our story shed. We also enjoyed making decorations for our Jubilee party, where there was plenty of dancing and lots of fun!

Year 1

Year 1 enjoyed celebrating the Queen's platinum jubilee before the half term.

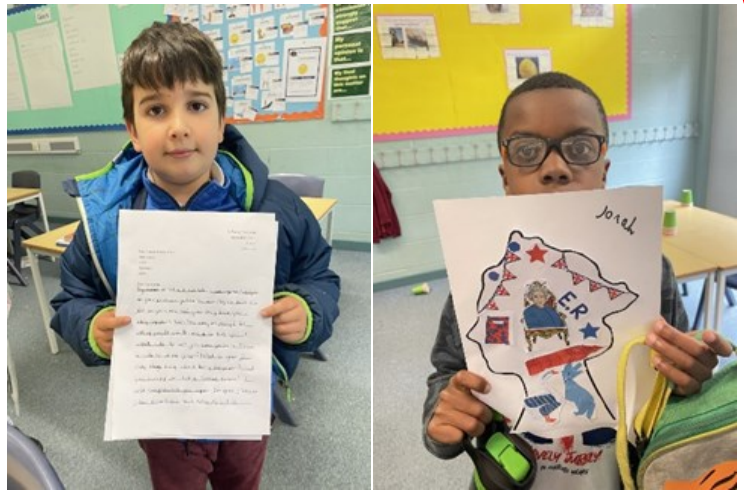

We made Union Jack flags and learned a song all about the Queen, which we performed really well with Year 2! We also decorated the class by making bunting. We designed and made a crown after looking carefully at the crown jewels.

Year 4

Year 4 were very excited about the Jubilee and were very excited to be completing the activities on Jubilee day.

We wrote some excellent letters to the Queen as well as learning about the life of the Queen. As well as this, we completed several pieces of art work related to the jubilee. These included collages and mosaics. We also painted lots of Union flags to decorate our class with.

Year 5

In year five, we created our own Jubilee collages based on the shape of the Queen's head. We attempted to build a Buckingham Palace 3D model made from card using a net shape template, which proved to be a challenge.
